

## How Do I Buy Doing A Lease Purchase?

Thank you for visiting our web site and requesting this report. A lease purchase works a lot like a regular purchase but it is usually done by folks with less than perfect credit. It is okay if your credit has hit a few bumps in the road along the way.

Most of the time, we can do a lease purchase on just about any home you like. For more information regarding a Lease Purchase, please send an email or give me a call today.

I look forward to helping you with your new home purchase.

I know for you making the right choice is worth thousands of dollars and a great sense of "peace of mind." If there is ever any way I can be of service to you or anyone you know, please give me a call. ***Your initial consultation is always under no obligation and completely free of charge.*** We'll sit down for 15-20 minutes and I'll show you everything you need to know when buying or selling a home. No pressure... just plain honest talk about what it's going to take to get you the results you need.

If you have any questions or would like more information, please feel free to contact me anytime.

I look forward to hearing from you soon!

Warmest regards,
